## 1. Introduction of Chungbuk National University

### University Overview

CBNU celebrated its 60th Anniversary in 2011 since its foundation in 1951 as Cheongju Junior Agricultural College. The University was founded by the belief and love of Chungbuk Province residents who wanted to develop their own provincial university. CBNU, promoted to a nationally-sponsored college in 1977, is widely acknowledged as one of the country's top-ranked universities in Korea. It has always played a vital role in education and research in the central region of Korea. CBNU, a nationally-sponsored comprehensive university, currently has 13 colleges & divisions, 8 graduate schools, 32 research institutes, 37 affiliated organizations, and 2 corporate bodies. It has been established as a special university by being awarded the 2nd phase BK 21 project, the 2nd phase academic industrial cooperation project, college IT Research Center, the Bio-Information Technology (BIT) Project, Excellent Research Center Project(ERC), Projects for Enriching Educational Power, the best school for disabled students, and the Respiratory Disease Center of CBNU Medical Center. In order to aspire to becoming a leading university in the world and to improve the nation's international standing, CBNU has been striving to enhance students' global competitiveness.

### Center for International Affairs Overview

Center for International Affairs provides quality language program for CBNU students and local residents to help them polish their foreign language communication skill. The center also does research throughout the language program and language education discipline, develops textbooks, and holds language related seminar, to provide an environment for successful completion in those educational fields. Center for International Affairs provides Korean language program for international students and overseas Koreans. Through this program, the center supports students' overseas study and employment, and also promotes Korean culture through various cultural events. Center for International Affairs supports international students' undergraduate and graduate school admission, sojourn and academic affairs.
